

Fermilab Physics Advisory Committee mini Meeting dedicated to NuMI run plan in 2026/2027

The PAC NuMI Sub-Committee: Halina Abramowicz (Chair), Klaus Blaum, Allen Caldwell, Albert de Rock, Atsuko Ichikawa, Mayly Sanchez

Scientific Secretary: Sergo Jindariani

Charge: We are requesting that the PAC reviews the current run plan for operating the NuMI beam (in terms of POTs and run mode) during calendar years 2026 and 2027, taking into consideration the goals of the experiments/projects, planned maintenance and repairs of the accelerator complex, as well as budgetary constraints
